Ian Patterson's Best Releases of 2013

By [IAN PATTERSON](#), Published: December 21, 2013

The following list represents my [personal](#) favorites of those CDs I reviewed this year. I am convinced that we live in a great age for jazz/[creative music](#). You can only ever listen to a small percentage of what's out there, but it's still a privilege to be able to access this much music.
